

Things You Need to Know

Unmounted Stamps are carefully trimmed first quality rubber (without cushion or wood) at half the price of mounted stamps. Refresh your stamp collection without defoliating your wallet!

1/8" Cushion is for your unmounted stamps. Choose red rubber sponge at \$2 per 4×6 " piece, or self-adhesive foam at \$3 per 5×7 " piece.

Black Stamp Pads: We are always on the prowl for quality stamp pads that can do justice to the fine detail of L.J. Stamps and these fabulous pads deliver! They are acid-free, fade resistant & archival, quick drying on uncoated papers & ideal for water-coloring. The ink conditions your stamps, no odor, no solvents, non toxic. Water clean up. \$9 each.

Rainbow Pads are glorious 7-color dye ink, raised-felt, 2.25 x 3.5" pads. Hand-inked here, it's my favorite color pad. Longlasting and like most of us, they grow more subtle as time goes by. \$8 each.

Mystery Stamp Grab Bags are first quality trimmed and exceedingly miscellaneous non-catalog stamps. Suggestions for subject matter are welcome, but remember, it's a Mystery Bag so prepare for a surprise! Available unmounted only. 10 stamps for \$8.

Catalog Only? If a catalog is all you need for now, it's yours postage paid for \$3 USA and \$5 World.

Gift Certificates are whimsically hand-stamped and accompanied by a free catalog. \$20 minimum.

Thank You for intrepidly browsing all the way to the bottom of this column. L.J. appreciates and esteems the readers among us! Request "the reader's gift" and a free mystery stamp will appear in your stamp order... with our best wishes!
